Auto window Tint and installation

Above all other great Auto Tint in the market, we highly recommend Smash n Grab film that add safety, privacy, a fantastic look as well as reducing the heat inside your car.

Top 5 benefits of car window tint

1. Tinting your car windows can keep car upholstery from fading
2. Window tint blocks harmful UV rays
3. Tinted windows keep your car cool

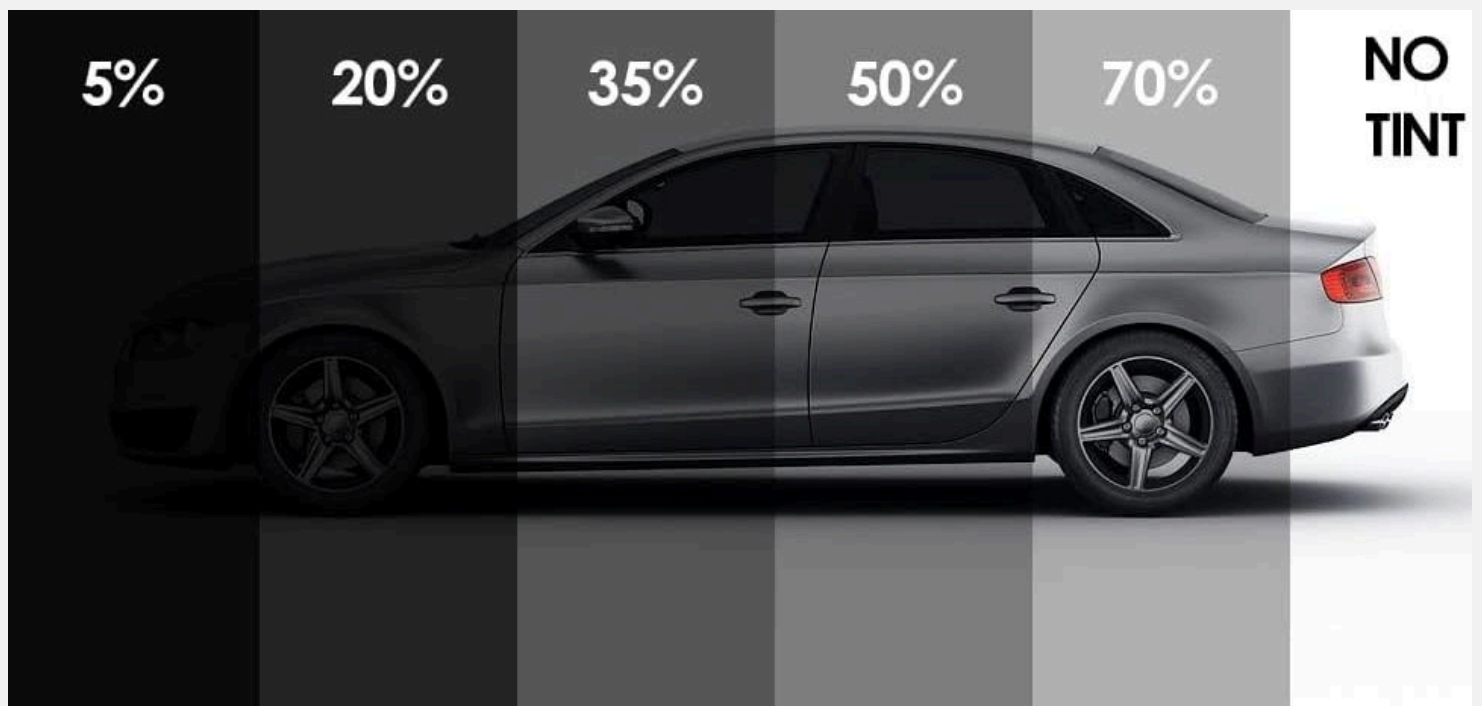

4. Reduce uses of Aircon
5. It also provides better privacy and security

Guides to help you choose the right tint shade for your car!

Window tint comes in a range of shades, from clear (70%) down to 20% (darkest legal) or completely blacked out 5%.

A 35% tint will give you enough darkness, but its still easy to see through. Drivers like this tint because of its stylish and sleek aesthetic. If privacy is your purpose for tinting, a 20% or 15% tint is an excellent choice. Need help? Contact us today!.

Great Prices for Great Tint

See our current pricing for Auto Window Film plus installations bellow.

These costs reflect the value and quality we provide to our customers. We occasionally offer promotional discounts

which are announced on our website and through our social media. As of now, there are no discounts available, yet we offer very competitive pricing in Namibia, so come check us out!
